Welcome to Summer 2015 !

SUMMER IS HERE!!

From all reports we had a great start to the construction season and are looking forward to the trend continuing onwards and upwards! There has however been some demand and interest expressed of late for an industry wide rain dance, we will keep you posted on the details!

ANOTHER SUCCESSFUL SPRING SEMINAR

We had a full house at the most recent spring seminar, very interesting topic and we tried a more interactive format for the presentation. We had some great input from the audience and it made for some lively discussion.

THE EDUCATION COMMITTEE NEEDS YOUR HELP RCI' ERS!!

If you enjoyed the last seminar and are looking forward to more innovative and interactive sessions please forward any ideas you have to our Education Committee (James Bourget) at rciwcc@telus.net. We are here to serve you and provide you with timely and interesting sessions, your input and ideas for future seminars is greatly appreciated!!

REGISTER NOW FOR THE ANNUAL GOLF TOURNAMENT - FRIDAY AUGUST 14 @ 1PM

The Golf committee would like to have your registration in by JULY 10th as they have pulled out all the stops and have a special gift planned for every attendee to this year's event.

Please help your association out (and your firm too!) by sponsoring a hole or one of the many other sponsorship opportunities! You can do this online here:

RRC & RRO Examination and Course Series

The Western Canada Chapter is continuing its ongoing mission to advocate all designation offered by our association, but we require more RRC's to accomplish our long-term goal of raising the Roof Consultant's bar one notch higher.

All Information regarding the registration requirements is available on line with the National Association. Should you wish more personal information or background, please do not hesitate in contacting WCC online, we will put you in touch with a local Chapter RRC.

We had a number of inquiries at our booth at ROOFTech regarding upcoming RRO exams.

The RRO exam is available online at over 1,000 conveniently located testing centers worldwide. Once applications are submitted to RCI, allow 90 days for processing. Applications will be processed within 60 days for an additional expediting fee (\$50 member/\$75 non-member). An exam registration form will be provided to the candidate when the application has been approved. Once the registration form and exam fee have been received, the candidate's information will be conveyed to Castle Worldwide, the Internet-based testing company. The applicant will then be contacted by Castle to schedule the testing session.

Online testing is offered on demand, to approved candidates, based on individual testing center hours and availability. Consult <http://www.castleworldwide.com/mainsite/ibtsites> for testing center locations.

Welcome to Autumn 2015 !

THERE IS A CHILL IN THE AIR!!

The summer is finally over and it was one of the driest on record with lots of Sun and warm days, great weather for construction. Over the summer Oil prices have fallen along with the dollar but BCs economy and construction sector has been predicted to outpace the other provinces so we will see what the new season brings for us all.
