CHANGES TO THE BOARD

The Board would like to express their gratitude for the years of service to the chapter & the board of Mr. Blair Bennett & Mr. Bob Thurston. Both served with distinction and were a big part of the team that helped grow our chapter to one of the strongest on the continent. Each of these fine gentlemen have taken on expanded roles within their firms, and unfortunately there is only so much of them to go around. They will surely be missed! **OUT WITH THE OLD IN WITH THE NEW!** With the changing of the guard, the board would like to welcome its newest members **Mr. Tomasz Dobrowolski** of Soprema, and **Mr. Jordan Gervais** of IKO industries to the board. JOHN WELLS ON THE MEND

DECLARED CANCER FREE

In March of 2015 long time RCIWCC member, Chapter builder, & respected industry associate John Wells was diagnosed with stage 4 colon cancer. After two significant surgeries to remove the cancer including the most recent surgery which removed a portion of his liver his family has reported that the most recent results indicate that he is cancer free.

John still has hurdles to overcome due to the magnitude of the surgery but has expectations for a full recovery. Credit is given to the outstanding love and support of his wife Linda, and his family and friends in the industry. John maintained a positive attitude throughout the fight and is looking forward to getting back out on the links soon.
